Clark County Fire District 6 Commissioners Meeting  
Public Budget Hearing  
Station 1, 7:15 p.m.  
November 3, 2009

Members present: Chairman Spring, Commissioner Bloemke  
Meeting called to order.

Chief Taylor was called upon to provide the Board with an overview of the preliminary budgets for 2010.

The county has not yet provided final figures for District 6's assessed valuation, but anticipated the assessed value to be reduced between 15 and 20%.

Commissioner Collins arrives.

Staff estimates that EMS Fund 6242 will recognize an increase of \$26,905 over that received in 2009, while expenses will increase approximately \$68,454.

Fire Fund 6212 is expected to receive an increase of \$28,295 over that received in 2009, while expenses will increase \$320,470.

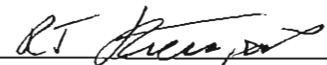

Staff will recommend the District should adopt resolutions funding a substantial need to see the limit factor at 1% to help accommodate the small revenue increase and the expected expense increase.

The Board accepted the budget information, called for any input from those in attendance, and indicated it would consider the recommended resolution at its next meeting.

Public Hearing adjourned.

Respectfully submitted,

Dick Spring, Chairman

R.T. Streissguth, Secretary
