Clark County Fire District 6 Commissioners Meeting
Public Hearing
Station 61, 7:15 p.m.
November 17, 2015

Members present: Chairman Lothspeich, Commissioner Bloemke, Commissioner Collins

Public Hearing called to order.

Chief Taylor provided the Board and those in attendance with copies of the final draft of the 2016 Fire and EMS Budget.

As yet, the county has not provided calculations for new construction which will be added to the 2016 assessed valuation.

The Fire Fund, having passed a lid lift, will receive \$1.50 per thousand of assessed value for 2016, and the EMS Fund will receive \$0.3963 per thousand of assessed value.

These figures should result in an increase to \$2.24 million to the Fire Budget and an increase of \$75,000 to the EMS Fund caused partially by the approved 1% substantial need resolution.

To accomplish these levels, the Board will need to pass one resolution for the Fire Fund and three resolutions for the EMS Fund.

The Chair adjourned the 2015 Public Hearing for the 2016 District 6 Budget.
